Sunday 22nd October '17: today is world mission Sunday. Today is mission Sunday and the Holy Father invites all Catholics to contribute to a special collection. Every person in every parish in every country where the Church is present will be celebrating together and sharing what they have, no matter how little. It is the one Sunday in the year when the Mass is celebrated exclusively for missionary activity. Donations are collected at these worldwide masses and they go to support churches, hospitals, schools and vocations in countries where the Church is new, young or poor. It is also the one Sunday in the year when your generosity goes directly to help mission parishes overseas and reach out with Jesus's message of hope and love.

Maths Week 2017 Maths Week celebrates a positive image of maths all over the island of Ireland. All classes participated in fun Maths Activities throughout the week. There were Maths Trails, Maths Problems, Maths Games & Puzzles. We saw some classes trying out online Target Boards. We encouraged boys & girls to take a few minutes to look at Maths Board in Hall and see how they got on with some of the problems on the charts. Everyone has Maths Eyes they just need to be opened.
